Features:

This fully developed modified bi-level home is situated in the Summit subdivision. With a little TLC you can make this your perfect home!! It offers 3 bedrooms and 3 bathrooms, and is conveniently located within walking distance to trails, schools (Crystal Park), and shopping. The master bedroom is located above the garage and includes a walk-in closet and ensuite. The main floor features an open-concept design with the kitchen, dining, and living areas seamlessly connected, along with a door leading to a spacious two-tiered deck. The fully finished basement includes a bathroom and ample space for entertainment, making it ideal for movie nights or games. Book your showing today!!
