The kitchen was renovated in 2024 and now features new cabinets, quartz countertops, stainless steel appliances including a built-in oven and microwave, countertop gas stove, and a walk-in pantry. The spacious dining area leads to a covered deck—perfect for entertaining. Step inside to soaring vaulted ceilings with stylish shiplap, pot lights, and a statement chandelier. Large windows fill the home with natural light. A bright and functional laundry room offers ample storage, and there's a convenient half bath off the garage entry. Upstairs, custom powder-coated railings lead to a luxurious primary suite complete with a walk-in closet, ensuite with heated floors, a tiled shower, 6' soaker tub, and double sinks. Two more generously sized bedrooms, a full bathroom, and extra storage complete the upper level. The fully developed basement includes a cozy family room, fourth bedroom, 2-piece bath (shower-ready), and a utility/storage room. The finished, heated garage features an insulated door for year-round comfort.
